

4 Bedroom Villa in Aloha

This property is extremely well built, the current owner occupier is a project manager and has specified every part of the construction to the absolute highest quality. Well proportioned rooms all lead onto ensuite bathrooms and terraces. The windows and door frames are made from the highest quality natural woods and are heavy and solid. The property has terracota tiles and underfloor heating throughout. The heating is powered by gas oil generator that is particularly efficient; two tank refils (costing 800â,¬ per fill) are estimated to keep the proeprty running throughout the year. Set on immaculate garden overlooking the Dame de Noche driving range. The property comes with an equipped modern kitchen, separate dining room, large living room, three well proportioned bedrooms on the first...
